(*JMIR Med Educ* 2024;10:e68503) doi: [10.2196/68503](https://doi.org/10.2196/68503)

In “Psychological Safety Competency Training During the Clinical Internship From the Perspective of Health Care Trainee Mentors in 11 Pan-European Countries: Mixed Methods Observational Study” (*JMIR Medical Education* 2024;1(10):e64125) the authors made one revision.

The following section in the Acknowledgments section:

This paper was based on work from the European Cooperation in Science and Technology Action 19113, The European Researchers' Network Working on

Second Victims, supported by the European Cooperation in Science and Technology [67]

Has been corrected to:

This article is based upon work from COST Action, TheERNSTGroup, CA19113, supported by COST (European Cooperation in Science and Technology).

Additionally, the associated reference [67] (below) will be removed from the Reference List, as it will no longer be cited in the paper.

67. Home page. COST Association. URL:
<https://www.cost.eu/> [accessed 2024-04-29]

The correction will appear in the online version of the paper on the JMIR Publications website on November 15, 2024, together

with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 07.11.24; accepted 07.11.24; published 15.11.24.
