JMIR Med Educ 2026;12:e106576; doi: [10.2196/106576](https://doi.org/10.2196/106576)

In “Augmented Reality in Surgical Training: Systematic Review of Its Impact on Technical Performance in Surgical Trainees” [1], the authors made one correction.

The fourth author’s name was amended to read from the following:

Yahyea Abdalle

The author’s name now reads:

Yahye Abdalle

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
